This Petition is submitted for the following reasons: There is a spelling error in the title of invention as listed on the Filing Receipt. The title should read "ARRAY PREFETCH APPARATUS AND METHOD", as evidenced by the Declaration that was filed in response to the Notice to File Missing Parts on March 18, 1997.

Attached is a copy of the Filing Receipt having the above errors and the changes noted thereon, as well as the Declaration for Patent Application and Transmittal Letter. It is respectfully requested that a corrected Filing Receipt be issued.

Because this was not an error on the part of Applicant(s), Applicant(s) believe no fee is required. However, the Commissioner is hereby authorized to charge any fee that may be required for this correction to Deposit Account No. 19-2386.

If this action does not lead to issuance of a corrected Official Filing Receipt as requested, please contact the undersigned at (512) 794-3600.

I hereby certify that this correspondence is being deposited with the United States Postal Service as First Class Mail in an envelope addressed to: Commissioner of Patents and Trademarks, Washington, D.C. 20231,
